SUPPLEMENTAL BID BULLETIN NO. 2025-12-005

Subscription to Cloud Computing Platform for OSG for 2026

In connection with the discussion held during the 9 December 2025 Pre-bid Conference for the Subscription to Cloud Computing Platform for OSG for 2026, the Technical Working Group (TWG) has resolved to amend the Terms of Reference (TOR) in this wise:

Particulars	From	To
5. Qualification of the Supplier	d) The prospective service provider must also be an authorized distributor of the cloud computing platform for at least twelve (12) years, as attested through a signed manufacturer's certification. If a reseller, partner, or dealer is involved, a signed local distributor's certification must be provided.	The prospective service provider must also be an authorized distributor of the cloud computing platform, as attested through a signed manufacturer's certification. If a reseller, partner, or dealer is involved, a signed certification from the local distributor must be provided.
	e) The Supplier must be recognized as a FastTrack Ready Partner for the proposed cloud platform. This certification must be issued by the Cloud Provider and must be valid at the time of proposal submission. The certification should demonstrate the Supplier's capability to deliver cloud onboarding, migration, and adoption services aligned with the Cloud Provider's best practices.	The Supplier must submit a certification issued by the Cloud Solution Provider attesting that the Supplier demonstrates the technical capabilities, experience, and ability to deliver successful customer outcomes aligned with the proposed cloud solution. The certification must confirm the Supplier's attainment of one or more of the following designations: • Solutions Partner for Infrastructure • Solutions Partner for Data & AI • Solutions Partner for Modern Work • Solutions Partner for

		Security
Infrastructure	Must provide extended security updates for Windows Server 2012 and SQL Server 2012 workloads moving to the cloud without additional cost.	*deleted
	Must provide additional 3-year extended security updates for Windows Server 2012 and SQL Server 2012 workloads moving to the cloud at an additional cost.	*deleted

For your guidance.

Makati City, 15 December 2025.
